

**Steve Kuehn**  
**Distinguished Alumni, 2022**  
**Class of 1964**

Steve Kuehn graduated HASD Class of 1964 after which he attended Lycoming College and Penn State University before enlisting in the US Navy Reserves.

He moved to Florida and began a 20-year career with Pfizer. For ten of those years Steve was the Managing Director of Pfizer Hospital Group, Europe. He lived in Brussels, Belgium, London and England for 10 years and met his wife, Susan during his tenure in Europe. Steve and Susan returned to Florida in 1995 and Steve founded two medical companies, which he later sold in 2015.

Steve's favorite hobby is traveling and his career afforded him that opportunity in abundance. In addition to living abroad, he was able to travel around the world 16 times, visit over 80 countries and worked in 42! His wife shares his passion for travel, but they consider Belleair, Florida their home.

Steve and his wife returned to Hollidaysburg for his 50th Class Reunion in 2014 and again in 2021 for the classes 75th Birthday Bash. Over the years, Steve has been a generous donor to the Hollidaysburg Area School District's Restore the Roar project. In high school, he was involved in several sports, so this project has significant meaning to Steve and his contributions have great meaning to the community and the district.

Steve and Susan also support numerous charities including: Tunnels to Towers, Food for the Power, Shriners Children's Hospital, Gary Sinise Foundation, the Yellow Ribbon Fund, Paws for Purple Hearts, Florida Orchestra, the Clearwater Marine Aquarium, Law Enforcement Legal Defense and the Hollidaysburg YMCA.
